RAPPORT DÉTAILLÉ SUR DES POINTS CULMINANTS**DETAILED REPORT ON HIGHLIGHTS****Joint meeting of the Austrian Technical Committee Members**

On 3rd December 2014 the Austrian National Committee hosted a meeting of all Austrian experts represented in the Technical Committees. An update of the current status of the working program in the different Technical committees was given in view of the upcoming World Road Congress. The meeting was also attended by representatives Austrian Road Research Association. These kind of meetings held at least annually provide for a seamless information flow from international to national level.

10th ASTRAD-Symposium and “Austrokommunal 2015” Trade Fair on Road Management and Winter Maintenance

22 - 23 April 2015, Wels, Austria

For the 10th time the ASTRAD-Symposium on Road Management and Winter Maintenance was held on 22nd and 23rd April 2015 in Wels, province of Upper Austria. More than 150 exhibitors were expected to welcome 3.000 professionals from the road management and winter maintenance sector at this biennial “Austrian Winter Road Congress”. The newest developments in equipment and technology for road operation and winter service were presented in several technical sessions and in an exhibition area of 20,000 sqm indoor and outdoor at free admission for registered visitors. The new concept since 2011 does foresee an enhanced approach on urban and community issues by merging the Symposium with the “Austrokommunal Trade Fair”.

Information is provided via the Austrian National Committee at <http://www.fsv.at/piarc/> or visit directly www.astrad.org for further information.
